Inspire Your World's **Give Back Network** **We Give When You Give**

- **Holding an event to aid a nonprofit group or foundation?**

For each *Inspire Your World* magazine paid subscription sold through your event, or through your website, *Inspire Your World* will donate \$2.50 per subscription back to help your organization.

- **Inspire Your World Referral Program for Nonprofits**

For every connection that is established through a nonprofit organization that results in an ad in *Inspire Your World*, the nonprofit organization will receive a \$250 finder's fee for its organization.

- **Charity Rewards Program for Advertisers**

Inspire Your World wants to help the charities you support. For every advertisement you purchase in *Inspire Your World* magazine, IYW will donate 5 percent of the net ad rate to the charity of your choice-in your name.

We care about your causes.

Join IYW's **GBN** and together we can make the world a better place.
